Svenska reseaffischer ? En passion och ett kulturarv. I dag pratas det mycket om hur Sverige ska marknadsföra sig i världen. Men förut gjorde man mera än att bara prata. Det är detta bortglömda kulturarv, förmedlade genom konstnärliga reseaffischer, som projektet Come to Sweden vill bevara för eftervärlden. I den här väggkalendern för 2016 frossar vi med andra ord i affischer, design och svensk resehistoria. Med andra ord: Välkommen till affischernas ursköna Sverige!
